

iPad Movie 6 Word Story

iPad App – iMovie

Directions

1. You will create a movie using iMovie on the iPad.
2. You will visit one of the three sites listed below and read a short oral history excerpt from Japanese Americans
3. Based on what you read, you will create a “6 Word Story”. If you do not know what a “6 Word Story” is [click here](#).
4. You must create and/or use props for your story.
5. Once you have completed your story, save it and upload it to our class Schoology page.
6. The rubric is listed below

6 Word Story – Japanese Americans	Points Possible	Points Earned
Chose a Japanese American oral history that was listed	5
